Hospitality Design

WHO WE ARE For more than 20 years, Kollin Altomare Architects has designed and reimagined five- and four-star properties in over 25 states and four countries. Early on, we developed a knack for hospitality design, which evolved into a specialty—and now a growing reputation. But we've also made our mark in luxury residential, retail, and mixed-use.

We approach every project with the type of drive, accountability, attention to detail, and creativity you'd expect from a firm who has something to prove. Because we do. To our clients, of course. But also to ourselves.

With offices in Long Beach and Chicago, our talented and diverse staff of architects and designers has contributed to more than 120 skylines with projects spanning the East and West coasts, Hawaii, Mexico, the US Virgin Islands, Ireland and Argentina. We are proud to have been involved in the design and renovation of over 350 hospitality and leisure projects for an array of notable clients such as Fairmont, Four Seasons, Hilton, Hyatt, InterContinental, Langham, Loews Hotels, Marriott, Montage, Renaissance, The Ritz-Carlton, Sheraton, Strategic Hotels & Resorts, Viceroy L'Ermitage, and Westin.

WHAT WE DO Beyond providing full service architecture, interior design and planning services, we create elegant, inspired projects. While we've built a reputation for turning unexpected challenges into creative opportunities, our acute attention to our clients' needs is where our team truly shines. We listen, we translate, we adapt, and we deliver. Providing aesthetically pleasing solutions to genuine problems, and actually building them. Resulting in not only award-winning hotels, resorts, spas, residential, retail, dining and leisure destinations, but enduring partnerships with the people who hire us.

OUR MISSION Driven to be Creatively Responsible and Responsibly Creative, we deliver inspired solutions that surpass the expectations of both our clients and their customers.
