A Michael Graves Company

WHO WE ARE For more than 25 years, Kollin Altomare Architects, a Michael Graves company, has designed and reimagined four- and five-star properties in over 30 states and five countries and territories. Early on, the firm—led by founders Michael Kollin and Paul Altomare—developed a niche in hospitality design, which evolved into a specialty, and now a growing reputation.

Our talented staff of architects, designers, and project managers, has contributed to the design and renovation of over 400 hospitality and leisure projects for a host of clients and brands including Fairmont, Four Seasons, Hilton, Hyatt, InterContinental, Loews Hotels, Marriott, The Ritz-Carlton, Sheraton, Viceroy, Waldorf Astoria, Westin, and many more.

In January 2025, Kollin Altomare joined forces with Michael Graves Architecture, an award-winning global leader in planning, architecture, and interior design based in New Jersey. This merger combines the distinct strengths of our two firms to cultivate shared expertise, experience, and resources, allowing us to take our capabilities and offerings to a new level.

WHAT WE DO Beyond providing full-service architecture, interior design, and planning services, we create exceptional hospitality experiences.

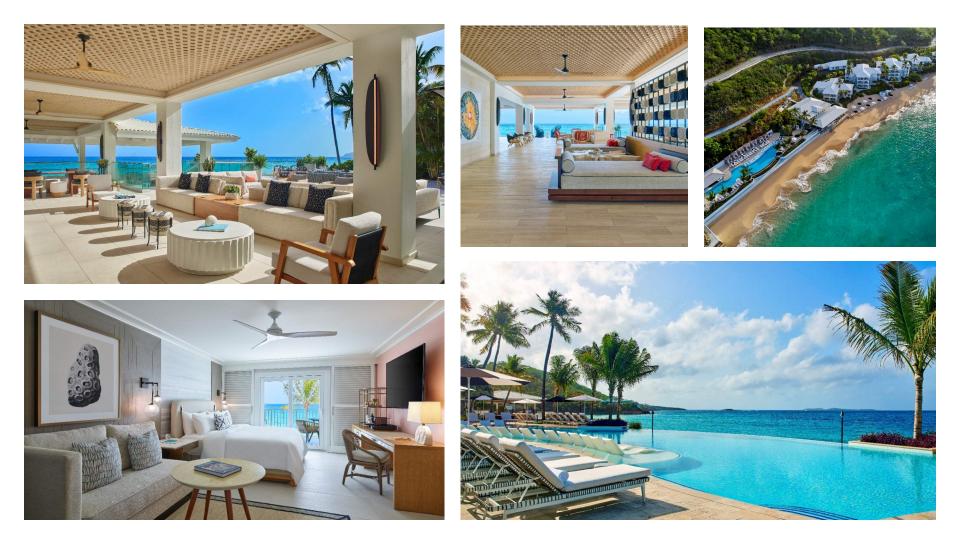

We listen, we translate, we adapt, and we deliver. Providing aesthetically pleasing solutions to design challenges—resulting in not only award-winning hotels, resorts, clubs, spas, residential, retail, dining, leisure & mixed-use destinations, but enduring partnerships with the people who hire us.

OUR MISSION We are committed to providing responsibly creative and inspired design solutions that surpass the expectations of both our clients and their customers.
