

WHO WE ARE: For more than 25 years, Kollin Altomare Architects, a Michael Graves company, has designed and reimagined four- and five-star properties in over 30 states and territories. Early on, the firm—led by founders Michael Kollin and Paul Altomare—developed a niche in hospitality design, which evolved into a specialty, and now a growing reputation.

Our talented and diverse staff of architects, designers, and project managers has contributed to more than 130 skylines with projects spanning the East and West coasts, Hawaii, Mexico, the Caribbean, Ireland, Argentina and beyond.

We're proud to have been involved in the design and renovation of over 400 hospitality and leisure projects for a host of clients and brands such as Autograph Collection, Fairmont, Four Seasons, Hilton, Hyatt, Loews Hotels, Marriott, Montage, Renaissance, The Ritz-Carlton, Sheraton, Viceroy, Waldorf Astoria, Westin, and many more.

Kollin Altomare has recently formed a strategic partnership with **Michael Graves Architecture**, an award-winning global leader in planning, architecture, and interior design based in Princeton, New Jersey. The merger combines the distinct strengths of our two firms to cultivate shared expertise, experience, and resources, allowing us to take our capabilities and offerings to a new level. Founded in 1964 by AIA Gold Medalist Michael Graves, Michael Graves Architecture (MG) is a unique multidisciplinary practice that offers strategic advantages to clients worldwide. Clients range from Fortune 100 companies and global manufacturers to start-ups, from government to cultural, educational, and healthcare institutions, and from real estate developers to retailers. MG's work is a consequence of continually striving to learn and listen to their clients while aiming to deliver the highest level of service possible.

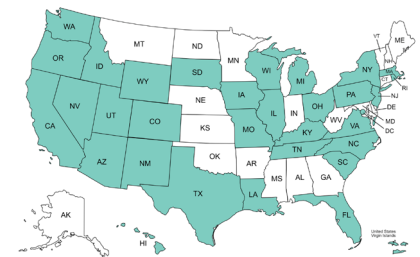

WHAT WE DO: Beyond providing full-service architecture, interior design, and planning services, we create exceptional hospitality experiences. While we've built a reputation for turning unexpected obstacles into creative opportunities, our attention to the individual needs of our clients and their guests is where our team truly shines. We listen, we translate, we adapt, and we deliver. Providing aesthetically pleasing solutions to design challenges—resulting in not only award-winning hotels, resorts, clubs, spas, restaurants, leisure, residential and mixed-use destinations, but enduring partnerships with the people who hire us.

OUR MISSION: We are committed to providing responsibly creative and inspired design solutions that surpass the expectations of both our clients and their customers.
